IMPORTANT SAFETY INSTRUCTIONS

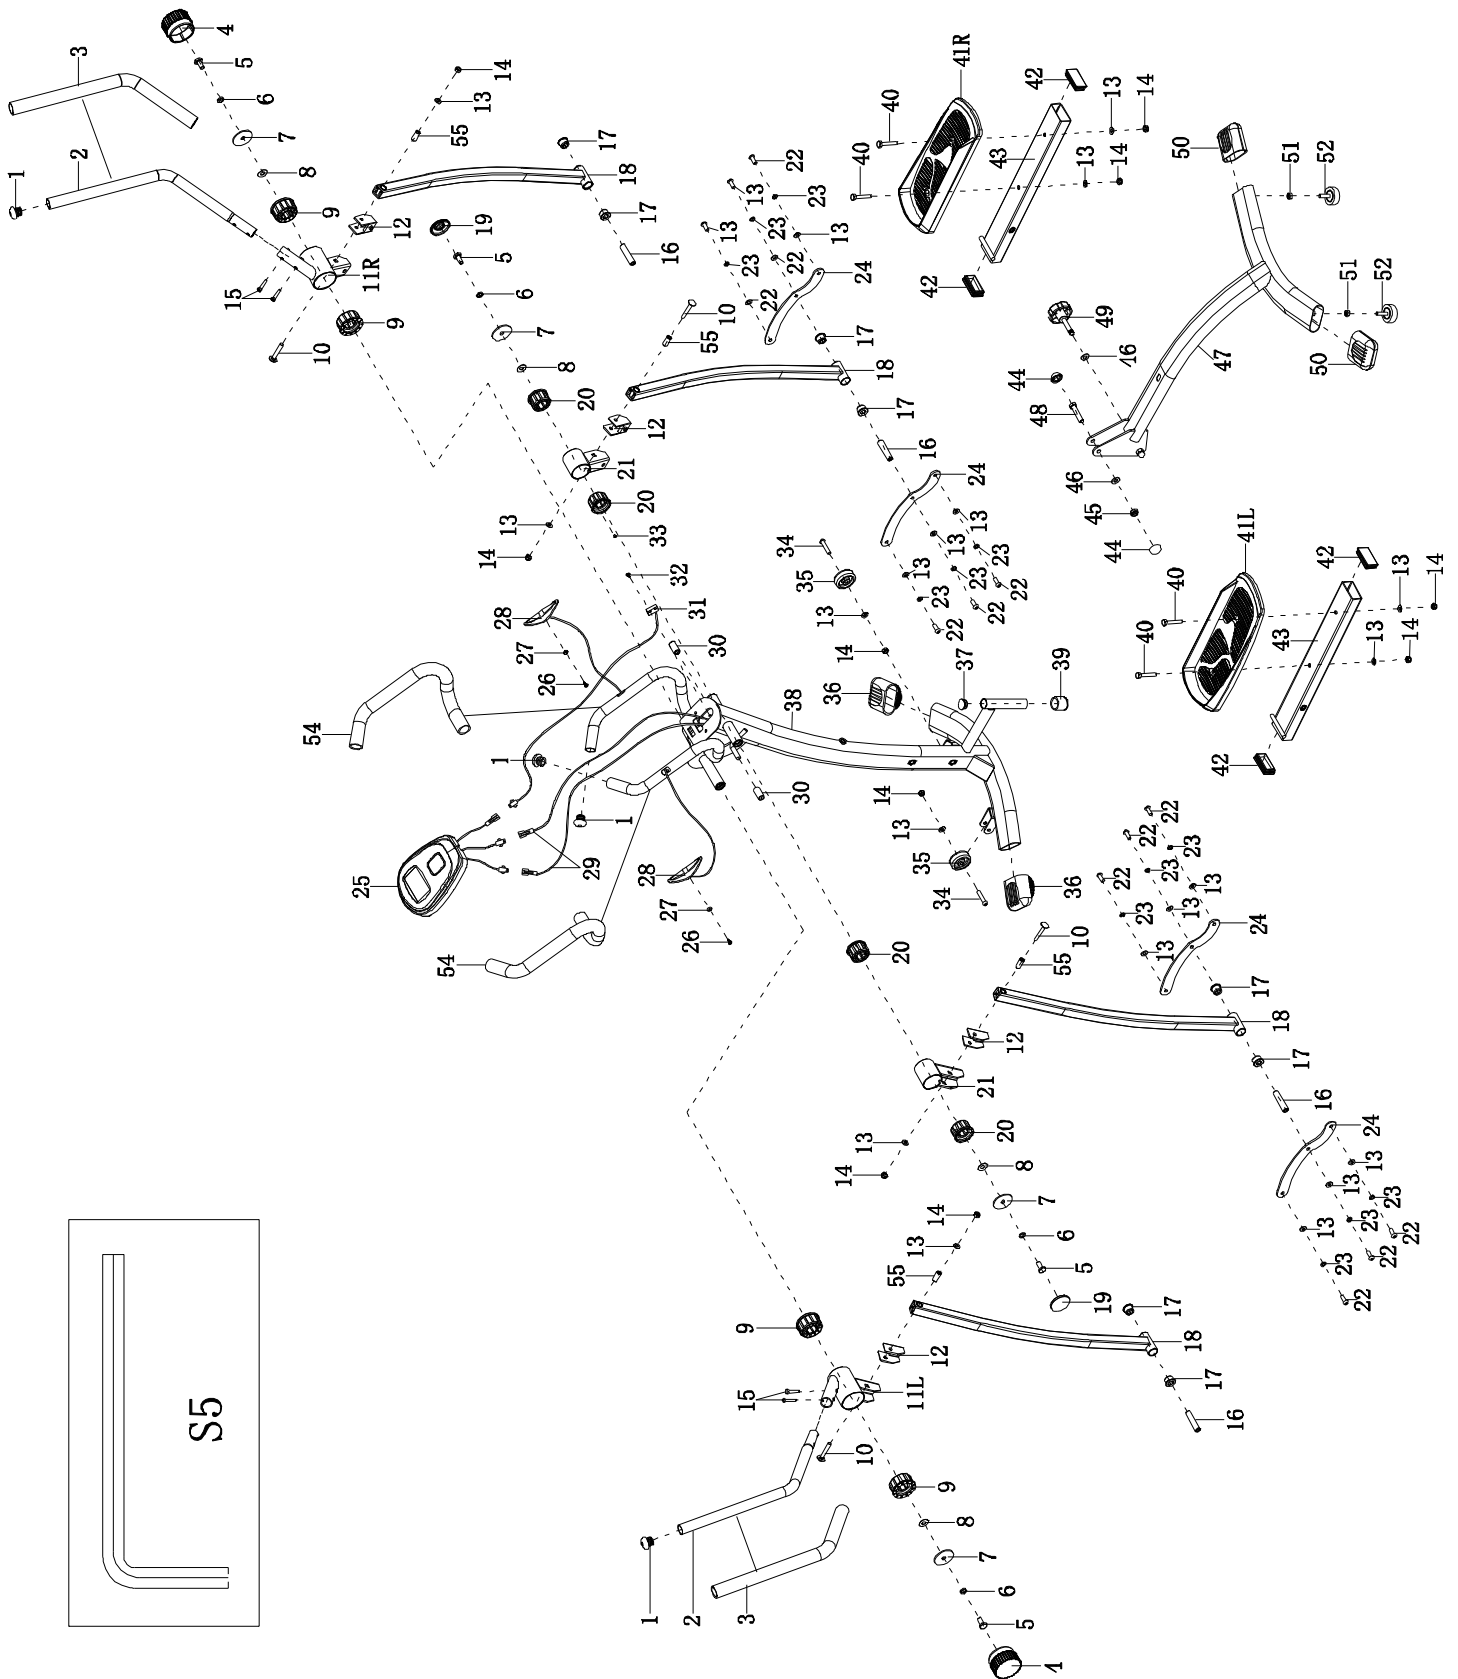

Basic precautions should always be followed, including the following safety instructions when using this equipment. Read all the instructions before using this equipment.

1. Before exercising and to avoid injuring your muscles, it is highly recommended that you perform warm-up exercises for each muscle group.
2. Please make sure all the components are undamaged and are in working order before using. This equipment should be placed on a stable, flat surface. Using a mat or similar material on the ground underneath the equipment is recommended.
3. Please wear proper clothes and shoes when using this equipment. Do not wear loose clothing that may get caught by any part of the equipment.
4. Only perform maintenance or adjustments that are instructed in this manual. Should any problems arise, discontinue use and consult with customer service at Paradigm.
5. **Be careful when stepping on or stepping off of the pedals.** Always hold onto the stationary handlebars while stepping on or off of the Air Walker. Always step on and off from the rear, never from the sides.
6. Keep dry - do not operate in wet or moist conditions.
7. Do not use the equipment outdoors.
8. This equipment is for household use only.
9. Only one person should be on the equipment at a time.
10. Keep children and pets away from the product at all times.
11. This machine is designed for adults only.
12. This product requires a minimum of 6 square feet of space for safe operation.
13. If you feel any chest pains, nausea, dizziness, or shortness of breath, you should stop exercising immediately and consult with your physician before continuing.
14. **The maximum weight capacity for this product is 225 lbs / 102 kgs.**

WARNING: Before beginning any exercise program consult with your physician. This is especially important for the people who are over 35 years old or who have pre-existing health problems.

CAUTION: Read all instructions carefully before operating this product. Retain this Owner's Manual for future reference.

ASSEMBLY

Step 1 Setting up the Air Walker:

- Remove the Round Knob (49) and Washer (46) from the Rear Stabilizer (47) by turning it in a counter-clockwise direction as shown in Fig. (A).
- Place the Rear Stabilizer (47) flat on the ground. On the lower right side of the Main Frame (38), Insert the Round Knob (49) with Washer (46) and turn it in a clockwise direction to lock the Main Frame (38) and the Rear Stabilizer (47) together as shown in Fig. (B).
- Lower the Left & Right Pedals (41L & 41R) as shown in Fig. (C).

ASSEMBLY

Step 2 Handlebar Installation:

Remove the Hex Socket Head Screws (15) from the Handlebar Bracket (11R). Insert the Handlebar (2) into the Handlebar Bracket (11R) and align the screw holes. Tighten the Hex Socket Head Screws (15) with the 5mm Allen Wrench (53) provided to secure the Handlebar (2).

Repeat this step to install the second Handlebar (2) on to the Left Handlebar Bracket (11L).

Tool:

(53) Allen Wrench 5mm

STORAGE

For your convenience, the walker can be folded for storage.

A. Fold the Left & Right Pedals (41L & 41R) See Fig A.

B. Remove Round Knob (49) and Washer (46) from the side of Main Frame (38). See Fig B.

C. Fold and secure the Rear Stabilizer (47) against the Main Frame (38) with the Round Knob (49) and Washer (46).

MOVING THE AIR WALKER

To move the Air Walker, Hold down the Handlebars (53) and tilt onto the Round Wheels (35). Beware: the Swing Posts (18) will move while transporting.

COMPUTER

SPECIFICATIONS:

SCAN----- The Console will scan through and display each function every 6 seconds.
TIME----- Displays elapsed time 0:00~99:59
COUNT----- Displays step count; Every two steps Is displayed as 1 Count. 0~9999
CALORIES----- Displays calories burned 0~9999
PULSE----- Displays user pulse 30~240 BPM

OPERATION:

SCAN	Press MODE until SCAN appears on the screen; the Console will display each function every 6 seconds.
TIME	Press MODE until TIME appears on the screen; the Console will display your current workout time.

WARRANTY

MANUFACTURER'S LIMITED WARRANTY

Paradigm Health & Wellness warrants to the original purchaser that this product is free from defects in material and workmanship when used for the purpose intended, under the conditions that it has been installed and operated in accordance with Paradigm's Owner's Manual. Paradigm's obligation under this warranty applies to the following:

COMPONENT	LENGTH OF WARRANTY
Structural Frame	1 year
All Other Components	90 days

Exclusions from Warranty Coverage:

Paradigm does not warrant against and is not responsible for, and no implied warranty shall be deemed to cover, any product failure, product malfunction, or damages attributable to:

1. Improper installation and/or failure to abide by Paradigm's installation guidelines;
2. Use of this product beyond normal home use, or in an application for which it was not designed;
3. Cosmetic items such as scratches, dents or discolorations;
4. Damage caused by normal wear and tear, vandalism, accidental or by animals;
5. Any act of Nature (such as fire, flooding, snow, ice, hurricane, earthquake, lightning or other natural disaster), environmental condition (such as air pollution, mold, mildew, etc.), or staining from foreign substances (such as dirt, grease, oil, etc.);
6. Normal weathering due to exposure to sunlight, weather and atmosphere which can cause colored surfaces to, among other things, flake, chalk, accumulate dirt or stains.
7. Improper operation, alteration, handling, storage, abuse or neglect of the products.

Paradigm, using its sole discretion, will either repair or replace free of charge any part(s) proven to be defective under normal home use. Any repair or replacement shall provide no new warranty coverage, but shall retain only the remaining portion of the original product's warranty. This warranty is offered only to the original purchaser and is not transferable. Proof of original purchase is required.
