This Bench was designed and built for optimum safety. However, certain precautions apply whenever you operate this exercise equipment. Be sure to read the entire manual before assembling and operating this equipment. Also, please note the following safety instructions:

1. Consult your physician or other health care professionals before using this Bench.
2. Always wear proper exercise apparel when using this equipment. Use care when getting on or off the unit.
3. If at any time you feel faint, light-headed, or dizziness while operating this equipment, stop exercising immediately and contact your physician. You should also stop exercising if you are experiencing pain or any kind of discomfort.
4. Keep children and pets away from this equipment at all times.
5. Only one person should use this equipment at a time.
6. Make sure your equipment is correctly assembled before you use it. Be sure all screws, nuts, and bolts are tightened prior to use. Check screws, nuts, and bolts are tight on a weekly basis.
7. Do not operate this or any exercise equipment if it is damaged.
8. Wait 2 hours after eating before using this exercise equipment. If you get nauseous, stop exercising as soon as you feel queasy.
9. This product should be placed on a flat surface when using. A mat or other covering material on the ground is recommended. For indoor use only, do not use outdoors or near water.
10. Keep hands and feet away from any moving parts. Do not insert any object into any openings on the equipment.
